**Notes:-**

1. Complete Facility / setup comprising all required machines and equipment (As mentioned above) is to be established by single firm along with installation, integration, commissioning and training by OEM certified team. Contract shall be awarded to a single bidder (Lowest Evaluated Bidder for project).
2. One year warranty of the entire project is to be provided after handing taking over of the facility.
3. Quotation must be submitted on **'FOB'** basis only.
4. Training and certification of 04 Customer's personnel on operations, maintenance, calibration and software programming of Autoclaves (Large/Small) for a duration of 04 weeks at OEM premises is to be included in the proposal. OEM to also forward its own proposal regarding team composition and duration of training.
5. Training and certification of 04 Customer's personnel on operations, maintenance, calibration and software programming of Industrial Oven (Large/Small) for a duration of 02 weeks at OEM premises is to be included in the proposal. OEM to also forward its own proposal regarding team composition and duration of training.
6. Training and certification of Customer's personnel (as per customers satisfaction/requirement) during installation, commissioning and qualification of all required machines and equipment at Customer's premises is to be included in the proposal. Training should include all aspects of operation, maintenance, calibration and software programming. OEM to also forward its own proposal regarding team composition and duration of training.
7. Factory acceptance of Autoclaves, Ovens, Cutting Plotter and Walk-in Freezers by Customer representatives at OEM premises (Factory acceptance of Autoclaves and Ovens can also be performed during training). Two personnel each will perform the acceptance of Cutting Plotter and Walk-in Freezers. The equipment would be shipped after acceptance by customer representative.

8. Cost of training for all items is to be quoted separately at OEM and user location for each item. Breakdown of training cost (daily cost for each person) should also be provided separately.
9. All items / equipment should be of Western / European Origin.
10. The provided specifications are minimum requirement. The equipment with higher specifications will also be acceptable.
11. Detailed Technical Details with Technical datasheet/brochure is to be provided with quotation for technical evaluation.
12. Mode of shipment by Air/Sea is to be mentioned.
13. OEM packing worthy of transportation by Air/Sea & Road be carried out.
14. Receipt Inspection / Acceptance of stores as per AMF Quality Control Department in presence of OEM Rep.
15. Stores should be Factory new and from current production.
16. PAC/AMF, its customers and regulatory authorities reserve the right of access to all facilities of supplier firms coupled with sub-tier suppliers in applicable production of stores provided to PAC / AMF under contracts concluded by PAC Board.
17. 01 Year Warranty after installation, commissioning and handing taking over of the entire facility must be provided.
18. The supplier will provide following documents with supplied stores at a time of delivery:-
  - (a) Quality Certificate
  - (b) OEM's Certificate of Conformance
  - (c) Preservation certificate / record (if applicable)
  - (d) Parts catalogue and technical manuals
  - (e) Warranty certificate
  - (f) Delivery time should not exceed 06 to 09 months from date of signing of contract and **installation / commissioning in 1-2 weeks.**
  - (g) Calibration certificate traceable to OEM National standard (if applicable)
19. Installation, Commissioning and Qualification will be done by OEM Certified team.

21. Standard accessories / special tools are required to be provided by firm with the equipments/machines
22. After commissioning its operations and qualification is to be ensured by the firm.
23. Spares / Consumables for preventive maintenance for duration of **05** years of the equipment is to be provided with the equipment.

24. Completion period of entire project along with breakdown of Manufacturing time, Shipment Period, Installation, commissioning time etc should also be mentioned in the quotation.
25. Any special equipment required for commissioning / certification will be arranged by OEM at customer facility.
26. Requirement of specialist equipment (like cranes etc) and services from PAC/ Purchaser for movement, installation & commissioning of all the items at PAC Premises should be mentioned by bidders in their quotes.
27. Civil works will be responsibility of PAC /AMF. However, based on the items quoted, the details of civil works including drawings etc required should be mentioned by bidders in the quote.
28. Free of cost boarding, lodging etc facilities at OEM premises for PAC training and Pre-Acceptance team will be provided by bidders.
29. 20% Advance payment against submission of equivalent amount of Bank Guarantee (Issued by scheduled bank of Pakistan )can be made if requested by any bidder.
30. Capacity and rating of generator, compressor and nitrogen system should meet the requirement of equipment (autoclaves, oven etc) being offered by prospective bidders.
31. Foundation drawings are required to be provided within 3-4 months after signing of contract.

**Special Note:**

**“Due to significance of the project, delivery time is of paramount importance. Suppliers are to strictly abide by the time line and delay in completion / execution of project will not be accepted”**
