

PAKISTAN AERONAUTICAL COMPLEX BOARD, KAMRA AVIATION DESIGN INSTITUTE

Applications are invited from the citizens of Pakistan for employment against following vacant post (on contract basis) having requisite qualification, age limit and provincial quota as mentioned against the posts within 15 days of advertisement:

Please follow the below link to apply online:

<https://forms.gle/NcCrVC6azFYxyrB39>

(For any query call at 051-9099-2146)

POSITIONS AVAILABLE

Sr. No	Name of the posts	BPS	Qualification & Experience	Max Age Limit	No of Post	Regional/provincial quota
01	Senior Design Officer (Systems Integration)	18	(a) MS in Electronics / Electrical / Mechatronics Engineering related field from PEC recognized institute / university and 02 year relevant experience OR (b) BE in Electronics / Electrical / Mechatronics Engineering related field from PEC recognized institute / university and 04 year relevant experience (c) Preference would be given to those candidates having prior experience to hardware integration, interfaces, communication protocols etc. (d) Min CGPA 2.5	32 Years	01	Merit

Sr. No	Name of the posts	BPS	Qualification & Experience	Max Age Limit	No of Post	Regional/ provincial quota
02	Senior Design Officer (Software Development/ Application Layer)	18	(a) MS in Computer Science, Computer / Software Engineering from HEC recognized institute/ university or a related field and 03 years relevant experience OR (b) BS in Computer Science, Computer / Software Engineering from HEC recognized institute/ university or a related field and 05 years relevant experience (c) Preference would be given to those candidates having good hands-on experience on Model Driven Software Engineering tools, RTOS, etc. (d) Min CGPA 2.5	32 Years	01	Merit
03	Design Officer (Radar Signal Processing Algorithms)	17	(a) BE in Electronics / Electrical / Avionics Engineering related field from PEC recognized institute / university (b) Preference would be given to those candidates having FYP related to Embedded Systems and good hands-on experience on MATLAB (c) Min CGPA 2.5	32 Years	02	Merit
04	Design Officer (Radar Operational Modes)	17	(a) BE in Electronics / Electrical / Avionics Engineering related field from PEC recognized institute / university (b) Preference would be given to those candidates having FYP related to signal processing and good hands-on experience on MATLAB. (c) Min CGPA 2.5	32 Years	01	Merit
05	Program Manager (Project Management)	18	(a) MS in Project Management / Master in Engineering Management or a related field, and 03 years of experience in management of technical project. OR (b) BS in Management Sciences, Project Management, BE in Electrical/ Electronics/ Mechatronics or a related field and 05 years relevant experience (c) Preference would be given to those candidates having experience of managing technical projects. (d) Min CGPA 3.0 in BS / BE and Master level (if applicable).	35 Years	01	Merit

Sr. No	Name of the posts	BPS	Qualification & Experience	Max Age Limit	No of Post	Regional/ provincial quota
06	Design Officer (Processor Board Development)	17	(a) BE in Electronics / Electrical / Avionics Engineering related field from PEC recognized institute / university (b) Preference would be given to those candidates having FYP related to high speed digital design on Altium/ Cadence. (c) Min CGPA 2.5	32 Years	01	Merit
07	Design Officer (Mechanical Systems)	17	(a) BS/BE in Mechanical/ Mechatronics Engineering from PEC recognized institute / university (b) Preference would be given to those candidates having FYP in mechanical related systems. (c) Min CGPA 2.5	32 Years	01	Merit
08	Design Officer (Thermal Systems)	17	(a) BS/BE in Electrical/ Mechanical/ Mechatronics Engineering from PEC recognized institute / university (b) Preference would be given to those candidates having FYP in thermal related systems. (c) Min CGPA 2.5	32 Years	01	Merit
09	Design Officer (System Test & Validation)	17	(a) BE in Electrical/ Electronics/ Avionics Engineering related field from PEC recognized institute / university (b) Preference would be given to those candidates having good hands-on experience on Precision Measuring Equipment (c) Min CGPA 2.5	32 Years	01	Merit
10	Design Officer (Power Supply)	17	(a) BE in Electronics / Electrical / Avionics Engineering related field from PEC recognized institute / university (b) Preference would be given to those candidates having FYP related to power electronics and good hands-on experience on Power Supplies. DC/DC Converters, Inverters, Hardware components and PCB design tools. (c) Min CGPA 2.5	32 Years	01	Merit
11	Design Officer (Configuration Management)	17	(a) BS in Software Engineering/ Computer Science, information technology from PEC recognized institute/ university (b) Preference would be given to those candidates having good hands-on experience on contracts management. (c) Min CGPA 2.5	32 Years	01	Merit

Sr. No	Name of the posts	BPS	Qualification & Experience	Max Age Limit	No of Post	Regional/ provincial quota
12	Design Supervisor (Logistics)	16	(a) BA / BSc from recognized institute and 05 years post qualification experience in logistics / supply chain management from Govt / Semi Govt organization or firm of repute OR (b) Ex-JCOs of logistics trade preferably with contracting experience	48 Years	01	Merit

Terms and Conditions:

- Only shortlisted candidates against advertised post will be called for Test/ Interviews.
- Incomplete applications or received after due date will not be entertained / considered.
- The competent authority has the discretion not to fill all or any of above mentioned posts or reject any application without assigning any reason and nobody will have right to challenge the same.
- No TA/DA will be admissible for test / interview.
